MANAGEMENT INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of May 16, 2023.

This Information Circular is being mailed by the management of Lions Bay Capital Inc. (“**Lions Bay**”) to everyone who was a shareholder of record of our company on May 16, 2023, which is the date that has been fixed by our directors as the record date to determine shareholders who are entitled to receive notice of the meeting.

We are mailing this Information Circular in connection with the solicitation of proxies by and on behalf of our management for use at an annual general and special meeting of the shareholders of Lions Bay that is to be held on **Tuesday June 20, 2023, at 11:00 a.m. (Pacific time) at Suite 2110, 650 West Georgia Street, Vancouver, British Columbia**. The solicitation of proxies will be primarily by mail.

Under our Articles, a quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting. If such a quorum is not present in person or by proxy, we will reschedule the meeting.

PART 1 – VOTING

HOW A VOTE IS PASSED

All of the matters that will come to a vote at the meeting as described in the attached Notice of Meeting are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, then the resolution is approved.

For further detail of the matters to be put to shareholders at the meeting, see Part 3– The Business of the Meeting.

WHO CAN VOTE?

If you are a registered shareholder of Lions Bay as at May 16, 2023, you are entitled to attend at the meeting and cast a vote for each share registered in your name on all resolutions put before the meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the meeting. If you are a registered shareholder but do not wish to, or cannot, attend the meeting in person, you can appoint someone who will attend the meeting and act as your proxyholder to vote in accordance with your instructions (see “Voting by Proxy” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “Non-registered Shareholders” set out below.

It is important that your shares be represented at the meeting regardless of the number of shares you hold. If you will not be attending the meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return a completed form of proxy by 11:00 a.m. (Pacific time) on Friday June 16, 2023, to our transfer agent, Computershare Trust Company of Canada, by mail at 8th Floor, 100 University Avenue, Toronto, Ontario M5J

2Y1 Canada, or by facsimile number 1-866-249-7775 (within North America) and 1-416-263-9524 (outside North America); or vote by telephone or through the Internet or otherwise as instructed by the enclosed form of proxy.

What is a proxy?

A form of proxy is a document that authorizes someone to attend the meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder of Lions Bay. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder. Those persons are directors and/or officers of Lions Bay.

Instructing your proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares at the meeting as follows:

- ✓ **FOR the election of the proposed nominees as directors;**
- ✓ **FOR the appointment of Davidson & Compan, LLP Chartered Accountants, as our auditor; and**
- ✓ **FOR annual approval of Lions Bay's 10% rolling stock option incentive plan as required annually by the TSX Venture Exchange.**

For more information about these matters, see Part 3 - The Business of the Meeting. The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified on the Notice of Meeting. At the time of printing this Information Circular, we are not aware of any other matter to be presented for action at the meeting. If, however, other matters do properly come before the meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing your mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the registered office of Lions Bay at 2110, 650 West Georgia Street, Vancouver, British Columbia V6B 4N8; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Pacific time) on the last business day before the day of the meeting, or any adjournment thereof, or delivered to the person presiding at the meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the meeting in person.

NON-REGISTERED SHAREHOLDERS

If your shares are not registered in your own name, they will be held in the name of a "nominee," usually a bank, trust company, securities dealer or other financial institution and, as such, your nominee will be the entity legally entitled to vote your common shares and must seek your instructions as to how to vote your shares. Accordingly, unless you have previously informed your nominee that you do not wish to receive material relating to shareholders' meetings, you will have received this Information Circular from your nominee, together with a form of proxy or a request for voting instruction form. If that is the case, **it is most**

important that you comply strictly with the instructions that have been given to you by your nominee on the voting instruction form. If you have voted and wish to change your voting instructions, you should contact your nominee to discuss whether this is possible and what procedures you must follow.

If your shares are not registered in your own name, our transfer agent will not have a record of your name and, as a result, unless your nominee has appointed you as a proxyholder will have no knowledge of your entitlement to vote. If you wish to vote in person at the meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxyholder. Please adhere strictly to the signature and return instructions provided by your nominee. It is not necessary to complete the form in any other respect, since you will be voting at the meeting in person. Please register with representatives of our transfer agent, Computershare Trust Company of Canada, upon arrival at the meeting.

The Notice of Annual General Meeting, this Information Circular and a form of proxy are being sent to both registered and non-registered owners of Lions Bay’s common shares. If you are a non-registered owner and we have sent these materials to you directly, your name and address and information about your holdings of common shares of Lions Bay have been obtained in accordance with applicable securities regulatory requirements from the nominee holding the securities on your behalf. By choosing to send these materials to you directly, Lions Bay (and not your nominee) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form that is included with this Information Circular.

In accordance with National Instrument 54-101 – *Communication With Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators, Lions Bay has elected to send proxy-related materials directly to non-objecting beneficial owners of its common shares. As Lions Bay is unable to send proxy-related materials directly to the objecting beneficial owners (“**OBOs**”) of its common shares (because OBOs are beneficial shareholders who have objected to the release of security ownership details to issuers), proxy-related materials for the meeting will be sent to OBOs indirectly through the intermediaries who hold securities on behalf of the OBOs. The intermediaries/brokers (or their service companies) are responsible for forwarding the proxy-related materials to their OBO clients. Management of Lions Bay does not intend to pay for intermediaries to forward to their OBO clients the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* under NI 54-101 and, as such, OBOs will not receive the proxy-related materials in connection with the meeting unless such OBO’s intermediary assumes the cost of delivery.

Lions Bay has chosen to not use the notice-and-access delivery procedures provided by NI 54-101.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Lions Bay has authorized voting capital of an unlimited number of common shares. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on May 16, 2023, the date fixed by our directors as the record date for determining who is entitled to receive notice of and to vote at the meeting.

At the close of business on May 16, 2023, the record date for the meeting to which this Circular relates, 142,105,862 common shares in the capital of Lions Bay were issued and outstanding. The following table lists those persons who, as of the record date and to the knowledge of our management, beneficially owned or exercised control or direction over, directly or indirectly, 10% or more of Lions Bay’s issued and outstanding common shares.

Name⁽¹⁾	Type of ownership⁽¹⁾	Number of common shares⁽¹⁾	Percentage
John Byrne ⁽²⁾	Indirect	80,446,323	56.61%

⁽¹⁾ Information as to ownership of shares has been extracted from insider reports filed by the individual and available through the Internet on the System for Electronic Disclosure by Insiders (SEDI), or has been provided by the individual.

⁽²⁾ John Byrne is a director of Lions Bay standing for re-election as a director at the meeting to which this Circular relates (see Part 3 – The Business of the Meeting – Election of Directors and Part 8 – Other Information – Cease Trade Orders and Bankruptcy).

PART 3 – THE BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

Our audited financial statements for the year ended May 31, 2022, will be placed before you at the meeting. These financial statements have been electronically filed with regulators and are available for viewing through the Internet on the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com. Copies of our annual financial statements and Management’s Discussion and Analysis related thereto will also be available at the meeting or upon request by any shareholder who wishes to receive a copy.

ELECTION OF DIRECTORS

Directors of Lions Bay are elected for a term of one year. The term of office of each of the nominees proposed for election as a director (each of whom is currently a director of Lions Bay) will expire at the meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates the office before that time.

Number of Directors

Under our Articles, the number of directors may be fixed or changed from time to time by ordinary resolution but shall not be fewer than three, the number of directors having been previously set by resolution of our shareholders at three. We currently have three directors, each of whom is being nominated by management for election at the meeting to which this Information Circular relates. At this stage of Lions Bay’s development, our Board of Directors believes that three directors is a sufficient number to efficiently carry out the duties of the Board, as well as enhance the diversity of views, skills and experience the directors bring to the Board.

Nominees for Election

Those individuals named in the table that follows are the nominees proposed for election as directors of Lions Bay, together with the number of common shares of Lions Bay that are beneficially owned, directly or indirectly, or over which control or direction is exercised, by each nominee as of the date of this Circular. All of the nominees are currently directors of Lions Bay: Ross MacLachlan having served as a director of Lions Bay since its incorporation; John Byrne since the completion of the Qualifying transaction on 14 November 2017 and Anthony Balic, appointed in October 2019. Each of the nominees has agreed to stand for election and we are not aware of any intention of any of them not to do so. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

Lions Bay has not, as yet, adopted a majority voting policy for election of directors at uncontested shareholder meetings at which directors are to be elected. See Part 7 – Corporate Governance – Nomination and Election of Directors.

Voting for election of directors of Lions Bay is by individual voting and not by slate voting. You can vote your shares for the election of all of these nominees as directors of Lions Bay, or you can vote for some of these nominees for election as directors and withhold your votes for others, or you can withhold all of the votes attaching to the shares you own and, thus, not vote for the election of any of these nominees.

We recommend that shareholders vote in favour of the election of the proposed nominees as directors of Lions Bay for the ensuing year. **Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the election of the nominees named in this Information Circular as directors of Lions Bay.**

APPOINTMENT OF AUDITOR

Davidson & Company LLP, Chartered Accountants, has served as Lions Bay’s auditor since August 7, 2020. We recommend that shareholders vote in favour of the re-appointment of Davidson & Company LLP, Chartered Accountants, as our auditor for the ensuing year.

Lions Bay’s Articles provide that the directors may set the remuneration of Lions Bay’s auditor.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Davidson & Company LLP, Chartered Accountants, as the auditor of Lions Bay until the close of the next annual general meeting.

ANNUAL APPROVAL OF STOCK OPTION PLAN

Shareholders will be asked at the meeting to consider and, if thought advisable, to pass an ordinary resolution giving annual approval of Lions Bay’s 10% rolling stock option incentive plan (the “**10% Rolling Plan**”). The 10% Rolling Plan was previously

approved by Lions Bay's shareholders, for adoption and implementation by the Board concurrent with completion of a Qualifying Transaction, at the annual general meeting of Lions Bay's shareholders held on March 15, 2022.

Pursuant to the policies of the TSX Venture Exchange (the "**Exchange**"), a rolling stock option plan, such as the 10% Rolling Plan, must be approved by shareholders of the issuer and submitted to the Exchange for approval on an annual basis.

The main features of the 10% Rolling Plan are summarized below.

Summary of the 10% Rolling Plan

The aggregate number of common shares reserved for issuance under the 10% Rolling Plan, and the number of common shares reserved for issuance under any other share compensation arrangement granted or made available by Lions Bay from time to time, may not exceed 10% of its outstanding common shares at the time of grant. The 10% Rolling Plan must be approved and ratified by shareholders and submitted to the Exchange for approval on an annual basis.

As of the date of this Circular, Lions Bay has an aggregate 142,105,862 common shares issued and outstanding, 10% of which provides for a reserve of 14,210,586 common shares of Lions Bay for issuance pursuant to options granted under the 10% Rolling Plan. As of the date of this Circular, incentive stock options have been granted by the Board of Directors of Lions Bay entitling the purchase of an aggregate 1,400,000 common shares. See Part 4 – Executive Compensation and Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans.

The 10% Rolling Plan is administered by the Board of Directors of Lions Bay and provides for grants of options to directors, officers and employees of and consultants to Lions Bay at the discretion of the Board. The term of any options granted under the 10% Rolling Plan will be fixed by the Board of Directors and may not exceed ten years. The exercise price of options granted under the 10% Rolling Plan will be determined by the Board of Directors, but the exercise price must not be less than the Fair Market Value (as such term is defined in the 10% Rolling Plan) of the option shares on the date of grant of the option. As the common shares are listed on the Exchange, the Fair Market Value is the lowest price permitted by the Exchange. Any options granted pursuant to the 10% Rolling Plan will terminate at the end of the period of time (to be determined in each instance by the Board of Directors at the time of grant), such period of time to not be in excess of six months after the option holder ceases to act as a director, officer or employee of or consultant to Lions Bay or any of its affiliates, unless such cessation is on account of death, disability or termination of employment with cause; and if no such period of time is determined by the Board of Directors at the time of the grant, the 30th day after the optionee ceases to be an eligible person pursuant to the terms of the 10% Rolling Plan for any reason other than death, disability or cause. If such cessation is on account of disability or death, the options terminate on the first anniversary of such cessation, and if it is on account of termination of employment with cause, the options terminate immediately. Options granted to a person engaged in investor relations activities for Lions Bay will terminate on the 30th day after the person ceases to be employed to provide investor relations activities. The 10% Rolling Plan will also provide for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of the common shares. The directors may, at their discretion at the time of any grant, impose a schedule over which period of time the option will vest and become exercisable by the optionee.

Options to acquire more than 2% of the then issued and outstanding common shares may not be granted to any one consultant in any 12-month period and options to acquire more than an aggregate of 2% of the then issued and outstanding common shares may not be granted in any 12-month period to persons employed to provide investor relations activities. Options granted to any one individual in any 12-month period to acquire common shares representing more than 5% of the issued and outstanding common shares requires approval by Lions Bay's disinterested shareholders. Disinterested shareholder approval is required if the aggregate number of shares reserved for issuance under stock options granted to insiders (as a group) at any point in time exceeds 10% of the issued common shares.

Subject to the approval of any stock exchange on which the securities of Lions Bay are then listed, the Board of Directors may terminate, suspend or amend the terms of the 10% Rolling Plan, provided that the Board of Directors may not do any of the following without obtaining, within 12 months either before or after the adoption by the Board of Directors of a resolution authorizing such action, shareholder approval, and, where required, disinterested shareholder approval as contemplated by the policies of the Exchange, or by the written consent of the holders of a majority of the securities of Lions Bay entitled to vote:

1. increase the aggregate number of common shares that may be issued under the 10% Rolling Plan;
2. materially modify the requirements as to the eligibility for participation in the 10% Rolling Plan that would have the potential of broadening or increasing insider participation;
3. add any form of financial assistance or any amendment to a financial assistance provision that is more favourable to participants under the 10% Rolling Plan;

4. add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the 10% Rolling Plan reserve; and
5. materially increase the benefits accruing to participants under the 10% Rolling Plan.

However, the Board of Directors may amend the terms of the 10% Rolling Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval, including:

1. amendments to the 10% Rolling Plan of a housekeeping nature;
2. a change to the vesting provisions of a security or the 10% Rolling Plan; and
3. a change to the termination provisions of a security or the 10% Rolling Plan which does not entail an extension beyond the original expiry date.

A copy of the 10% Rolling Plan is available for viewing at Lions Bay's registered office located at Suite 2110, 650 West Georgia Street, Vancouver, British Columbia, or at Lions Bay's offices located at Suite 1201, 1166 Alberni Street, Vancouver, BC, during normal business hours prior to the meeting to which this Circular relates or any adjournment thereof. A copy of the 10% Rolling Plan will also be available for review at the meeting.

We believe the 10% Rolling Plan will enable us to better align the interests of our directors and officers with those of our shareholders and will reduce the cash compensation Lions Bay would otherwise have to pay. Management of Lions Bay recommends that the shareholders vote in favour of the resolution giving annual approval of the 10% Rolling Plan. **Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR annual approval of the 10% Rolling Plan.**

PART 4 – EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about compensation decisions relating to our named executive officers (“**Named Executive Officers**”), as determined by applicable securities legislation, during the fiscal year ended May 31, 2022, and during the prior two fiscal years. During the fiscal year ended May 31, 2022, Lions Bay's Named Executive Officers were:

- John Byrne, Chief Executive Officer and President (from November 2017, to present).
- Anthony Balic, Chief Financial Officer (from November 2019, to present)

As a Capital Pool Company pursuant to the policies of the TSX Venture Exchange (the “**Exchange**”) during and prior to fiscal 2017, our principle objective was to identify and evaluate opportunities for the acquisition of an interest in assets or businesses and, once identified and evaluated, to negotiate an acquisition or participation with a view to completing a “Qualifying Transaction”, as that term is defined in and in accordance with the policies of the Exchange. During fiscal 2018, Lions Bay completed its Qualifying Transaction.

On a going forward basis since November 14, 2017, Lions Bay having completed its Qualifying Transaction and now a Tier 2 Investment issuer on the Exchange, our Board of Directors is responsible for determining all forms of compensation to be granted to our Chief Executive Officer and to directors, and for reviewing the Chief Executive Officer's recommendations respecting compensation of the other senior executives, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its executive officers, the Board will consider: i) recruiting and retaining executives critical to the success of Lions Bay and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and shareholders; and iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, compensation of Lions Bay's executive officers may consist of three components: i) base salary or fee; ii) annual bonus based on actual performance relative to pre-set annual operation targets; and iii) long-term incentive in the form of stock options.

Concurrent with completion by Lions Bay of its Qualifying Transaction on November 14, 2017, Lions Bay entered into a management services agreement (the “**Byrne Agreement**”) with John Byrne, Lions Bay's President and Chief Executive Officer, and Twenty-Second Yeneb Pty. Ltd. (“**22nd Yeneb**”), a private company beneficially owned by John Byrne and his spouse, pursuant to which Mr. Byrne provides services to Lions Bay in the capacity of President and Chief Executive Officer. The Byrne

Agreement provides for an initial term of 12 months to November 14, 2018, continuing until terminated in accordance with the terms of the Byrne Agreement. The Byrne Agreement can be terminated on 30-days written notice by either Lions Bay or 22nd Yeneb and Mr. Byrne to the other parties or party. The Byrne Agreement provided for initial compensation to 22nd Yeneb of \$10,000 per month and was increased to \$20,000 per month on February 15, 2021, for Mr. Byrne's services as President and Chief Executive Officer, such compensation to be reviewed by Lions Bay's Board of Directors on an annual basis.

On November 1, 2019, Lions Bay entered into a management services agreement (the "**CFO Agreement**") with Anthony Balic, Lions Bay's Chief Financial Officer, and Katuni Capital Corp. ("**Katuni**"), a private company beneficially owned by Anthony Balic, pursuant to which Mr. Balic provides services to Lions Bay in the capacity of Chief Financial Officer. The CFO Agreement is for an indefinite term and can be terminated on 30-days written notice by either Lions Bay or Mr. Balic. The CFO Agreement provided for initial compensation of \$5,000 per month and was increased to \$8,750 per month on October 1, 2021, for Mr. Balic's services as Chief Financial Officer, such compensation to be reviewed by Lions Bay's Board of Directors on an annual basis.

Option Based Awards

Long-term incentives in the form of options to purchase common shares of Lions Bay are intended to align the interests of our directors and executive officers with those of our shareholders and to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value and to reduce the cash compensation Lions Bay would otherwise have to pay. Lions Bay's stock option incentive plan is administered by the Board of Directors. In establishing the number of incentive stock options to be granted to officers, directors, employees or consultants under the plan, reference is made to the terms of the plan and the policies of the Exchange. Our Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation.

See "Outstanding Option-Based Awards" below, as well as Part 3 – The Business of Meeting – Annual Approval of Stock Option Plan and Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans.

Benefits and Perquisites

We do not, as of the date of this Information Circular, offer any benefits or perquisites other than entitlement to incentive stock options as otherwise disclosed and discussed herein. Lions Bay does not, as of the date of this Information Circular, offer any form of pension plan.

Risks Associated with Lions Bay's Compensation Practices

At the time of preparation of this Information Circular, Lions Bay's directors had not considered the implications of any risks to Lions Bay associated with decisions regarding compensation of its executive officers.

Hedging by Named Executive Officers or Directors

Lions Bay has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Information Circular, entitlement to grants of incentive stock options under Lions Bay's Stock Option Incentive Plan is the only equity security element awarded by Lions Bay to its executive officers and directors. See Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan and Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans.

PRE-APPROVED POLICIES AND PROCEDURES FOR NON-AUDIT SERVICES

Our Audit Committee Charter provides that management seek approval from the Audit Committee for all non-audit services to be provided to Lions Bay by our external auditor, prior to engaging the external auditor to perform those non-audit services.

AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of Lions Bay’s most recently completed financial year ended May 31, 2022, has a recommendation of the Audit Committee to nominate or compensate an external auditor not been adopted by the Board of Directors.

RELiance ON EXEMPTIONS

As Lions Bay is a “Venture Issuer” pursuant to relevant securities legislation, we are relying on the exemption in Section 6.1 of National Instrument 52-110 – *Audit Committees* (“NI 52-110”) from the Audit Committee composition requirements of Part 3 and the reporting obligations of Part 5 of NI 52-110.

At no time since the commencement of Lions Bay’s most recently completed financial year ended May 31, 2021, has Lions Bay relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), or the exemptions in Section 6.1.1 of NI 52-110 with respect to composition of an audit committee of a venture issuer (*Circumstance Affecting the Business or Operations of the Venture Issuer, Events Outside Control of Member and Death, Incapacity or Resignation*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of Lions Bay. Our Board of Directors is committed to sound corporate governance practices, which are in the interest of its shareholders and also contribute to effective and efficient decision making.

Composition of Board of Directors

The Board of Directors of Lions Bay facilitates its exercise of independent supervision over management by ensuring that there are directors on the Board who are independent of management. The Board, at present, is composed of three directors, one of whom, Ross MacLachlan, is considered to be independent of management, having applied the guidelines contained in applicable legislation. In determining whether a director is independent, the Board considers, for example, whether a director has a relationship which could, or could be perceived to, interfere with the director’s ability to objectively assess the performance of management. On this basis, John Byrne, as President and Chief Executive Officer, and Anthony Balic, as Chief Financial Officer, are not considered to be independent directors.

Board consideration and approval is required for all material contracts, business transactions and all debt and equity financing proposals. The Board delegates to management, through the Chief Executive Officer, responsibility for meeting defined corporate objectives, evaluating new business opportunities and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives.

The directors believe that, at this early stage of Lions Bay’s development, the current composition of the Board of Directors adequately facilitates its exercise of independent supervision over management. The Board anticipates that, as Lions Bay matures as a business enterprise, it will identify additional qualified candidates that have experience relevant to our needs, who are independent of management and are considered to be independent under applicable corporate governance legislation and guidelines.

Directorships in other Public Companies

The directors of Lions Bay are also directors of other reporting issuers as follows:

<u>Name</u>	<u>Other Reporting Issuer</u>
John Byrne	Kalina Power Limited
J. Ross MacLachlan	Kalina Power Limited
Anthony Balic	Fidelity Minerals Corp. and RSI International Systems Inc., Goldgroup Mining Inc., Smithe Resources Corp.

See Part 8 – Other – Cease Trade Orders and Bankruptcy.

Orientation and Continuing Education

Lions Bay has not yet developed an official orientation or training program for new directors. All of Lions Bay’s current directors are familiar with business operations and publicly traded companies in general and, as such, formal orientation has not, to date,

been required. New directors will be provided with a thorough overview of Lions Bay's business, assets and operations, as well as strategic plans and objectives through discussions and meetings with other directors and with officers. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Management of Lions Bay will endeavour to provide a continuous flow of information to its directors for continuing education purposes relating to Lions Bay's business and operations, as well as information and other initiatives intended to keep the Board abreast of new developments and challenges that Lions Bay may face and each director, by virtue of the role, is responsible for staying informed about Lions Bay's business and developments in the industry.

Ethical Business Conduct

The Board monitors the ethical conduct of Lions Bay and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by our governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of Lions Bay and its shareholders.

Nomination and Election of Directors

As Lions Bay progresses as a business enterprise, the Board of Directors will consider its size each year when it considers the number of directors to recommend to shareholders for election at annual general meetings, taking into account the number of directors required to carry out the Board's duties effectively and to maintain diversity of view and experience. The Board has not, as yet, appointed a nominating committee and these functions are currently performed by the Board as a whole.

We have not yet considered adopting an advance notice policy requiring that a shareholder proposing to nominate a person for election as a director at a shareholders' meeting must provide the Company with advance notice of, and prescribed details concerning, the proposed nominee.

Lions Bay has not, as yet, adopted a majority voting policy such that procedures would be in place requiring the resignation of a director should the director receive more "withheld" votes than votes "for" at any uncontested meeting of shareholders at which directors are elected; however, as part of its annual process of determining director nominees, the Board will closely examine directors who do not have the support of a majority of shareholders before nominating those individuals for re-election.

Voting for election of directors is by individual voting and not by slate voting.

Compensation

Lions Bay's Board of Directors is responsible for determining all forms of compensation to be granted to its Chief Executive Officer and to directors, and for reviewing the Chief Executive Officer's recommendations respecting compensation of the other senior executives, to ensure such arrangements reflect the responsibilities and risks associated with each position. See Part 4 – Executive Compensation.

Committees of the Board of Directors

As of the date of this Information Circular, our Board of Directors has not appointed any committees other than the Audit Committee. See Part 6 – Audit Committee.

Assessments

The Board does not formally review the contributions of individual directors; however, it believes that its current size facilitates informal discussion and evaluation of members' contributions within that framework.

On February 20, 2014, Wasabi and its directors entered into a Deed of Company Arrangement (“**DOCA**”) with Wasabi’s creditors, which gave Wasabi the opportunity to recover value for shareholders, which then included the majority of Wasabi’s major creditors. On May 16, 2014, Wasabi’s shareholders approved a proposed consolidation and issuance of shares to Wasabi’s creditors to allow the DOCA to be implemented.
